Computer systems manufactured by the first petitioner and originally consigned to the 2nd petitioner have been detained as per Ext.P6. In view of the nature of irregularities that are noticed, I think the adjudication has to be held. In view of this, the goods cannot be ordered to be released as sought by the petitioner. However, if the first petitioner so desires, it may furnish security as directed in Ext.P6, or bank guarantee towards the same to the satisfaction of the 1st respondent and get the goods released. Thereafter adjudication shall also be done, as expeditiously as possible, and the same shall be concluded within three weeks of receipt of a copy this judgment.

Writ petition is disposed of as above.

ANTONY DOMINIC, JUDGE.
